**CREATIVE MOVES INTO NEW HEADQUARTERS
IN HANOVER'S NORTHLAKE BUSINESS PARK**

Creative, a local success story and a leading provider of interior furnishings and work tools for business, has moved into their newly-constructed headquarters and distribution facility in Hanover County. The 88,000 square foot facility is located in the Northlake Business Center at Lewistown Road and I-95, which will provide the company with convenient access to their multi-state network of clients.

Founded in 1995 but with Virginia roots dating to 1882, the company prides itself on being THE TRUSTED CHOICE FOR INNOVATIVE WORK SOLUTIONS. Creative's offering includes office furniture, floor-covering, architectural products and audiovisual systems, as well as the knowledge and services to turn these products into solutions.

"Our new home in Hanover and the Northlake Business Park will provide our customers and employees the quality environment that they have come to expect," said Robert DeLille, CEO of Creative. "But even more importantly, it gives us the ability to truly understand our customers' needs and problems, then craft the most effective solutions."

"Hanover County welcomes Creative to our community," said Robert R. Setliff, Chairman of the Hanover County Board of Supervisors. "The company's standards of quality and customer service are an excellent fit in our growing corporate environment, and we look forward to providing Creative a profitable location in which to continue to grow."

Creative Office Environments has three locations in Virginia. In addition to the Ashland facility, additional offices are in Chesapeake and Charlottesville.
